A motion by Alderman Eydmann, second by Alderman Prince to approve the work session agenda as presented. Motion carried 8-0.

At this time discussion occurred regarding a request from Mark & Randy Trautman to accept the entrance just North of Valle Spring Park as a City Street. The Trautman's were present their ideas and answer any questions. After the presentation the Board Members showed no opposition to the request. The Trautman's will now have to proceed with their request through Planning and Zoning and then it will be brought back to the Board of Aldermen for their approval.

City Administrator Happy Welch handed out accounting policies and procedures that he would like for the Board to review. These will eventually be brought back before them to be approved by ordinance.

Mr. Welch also reported that he had met with all department heads regarding upcoming Budget 2021 and more information will be given to the Board of Aldermen at a future work session.

With no further business the work session was adjourned.
