

MINUTES OF THE  
STE. GENEVIEVE BOARD OF ALDERMEN  
WORK SESSION  
October 8, 2020

The work session of the Ste. Genevieve Board of Aldermen was called to order at 6:57 p.m. with all Board members present.

A motion by Alderman Eydmann, second by Alderman Price to approve the work session agenda. Motion carried 8-0.

**Discuss BOA Goals/Objectives:**

**Basler Drive/Parkwood Extension:** At this time the Mayor and Board of Aldermen discussed the different options on the future expansion of extending Parkwood Drive or Basler Drive to Progress Parkway. After some good discussion the Board felt it would be in the cities best interest to talk with the property owners that this would affect to see what option would be viable.

**Progress Parkway Property:** Discussion occurred concerning the Progress Parkway property that the City owns. Discussion leaned towards the option of rezoning the land that way there could possibly be more options of what the land could be used for since it has sat with no interest for so long as it is currently zoned.

A motion by Alderman Prince, second by Alderwoman Johnson to go into closed section pursuant to Section 610.021 (13) RSMo - Performance Ratings. Motion carried 8-0 with the following roll call: Ayes: Alderman Smith, Alderwoman Johnson, Alderman Donovan, Alderman Jokerst, Alderman Eydmann, Alderman Raney, Alderman Prince and Alderwoman Armbruster. Nays: None. 7:39 p.m.

With no further business the work session was adjourned at 8:00 p.m.

Respectfully submitted by,

  
Pam Meyer  
City Clerk
